## GETTING READY.

Trades Assembly's General Labor Day Committee Meets.

### ARRANGEMENTS WERE COMPLETED

For the Celebration Which Ends Fair To Be the Best Managed and Most Attractive Yet Given Under the Auspices of the Assembly—The Cake Walk To Be a Feature—Special Rates on the Railroads.

Yesterday afternoon the Ohio Valley Trades and Labor Assembly's general Labor Day committee held a meeting at Trades Assembly hall, at which every member was present. President Robertson, of the assembly, presided, and Secretary Salsbury was at the desk. This was the sixth meeting of the committee, and the progress toward a very successful celebration has been very good.

The committee on grounds reported it had executed a lease with the West Virginia Fair Association for the state fair grounds for the day of the celebration.

There was a long discussion regarding privileges to be extended to the bands that are hired for the day. Falgout's band was engaged to play in the colored people's dancing pavilion.

The committee on amusements reported that it had decided on a cake walk, and expects to make it one of the most enjoyable features of the big celebration. It is probable a stand for this purpose will be erected in front of the grand stand, across the track. Progress was reported on the various speed contests, and these will undoubtedly be above the average seen at picnic events this summer. The restriction of entrants in the bicycle event to residents of Ohio and Belmont counties, it is believed serves no particular purpose. It would be better to open the field for entries to the entire upper Ohio Valley, and the quality of the racing would be higher.

The transportation committee reported it had made satisfactory arrangements with railroads entering Wheeling for special rates on Labor Day.

This year the general Labor Day committee is doing its business and completing its arrangements in a much more systematic and business-like manner than ever before, and as a result the public can look for a well managed affair over at the fair grounds on August 20.

### FUNERAL OF DR. TODD.

Services at the Family Home in Kirkwood Sunday Forenoon.

The funeral services at the home of the late Dr. John M. Todd, of Kirkwood, Ohio, took place yesterday at 10 o'clock a. m., and consisted of remarks by the Rev. Mr. Bogie, of the Martin's Ferry Presbyterian church, and the Rev. Mr. Lenthorne, of the Bridgeport M. E. church, together with appropriate selections by the choir of the Bridgeport Presbyterian church. There was a large attendance of old friends and neighbors, among whom were prominent people from both sides of the river, such as Dr. J. C. Hupp and family, Capt. Richard Crawford, Captain Danford, Postmaster Hunt, of St. Clairsville, Editor Drennon, of Martin's Ferry, William Alexander, Ebenezer Rhodes, Samuel Jenkins, Captain McConaghy, Captain Clarke and many others. A high tribute was paid to the well known personal merits of the deceased by Rev. Mr. Bogie, who made many excellent and appropriate remarks. The Bridgeport Grand Army post, of which Dr. Todd was an honored member, took part in the proceedings. The interment was private at Lynwood cemetery.

### AN OLD RESIDENT GONE.

Death of Joseph Chandler at Martin's Ferry Yesterday.

Joseph Chandler, aged 87, died at 1 o'clock yesterday afternoon at the residence of his son-in-law, Edward McCombs, on West Hanover street, Martin's Ferry.

He was born at Granville, N. Y., on February 8, 1807. He went from New York to Iowa, where he remained only one year, and came to Ohio in 1833. He was engaged in the manufacture of wooden goods in Steubenville and Mt. Pleasant for fifteen years. He purchased a farm west of Martin's Ferry in 1840 and lived on that until he retired, in 1880, when he located in Martin's Ferry. He was married to Miss Theresa Hogg, of Mt. Pleasant, fifty-one years ago. Mrs. Chandler survives the deceased, also seven children. These are John O., of Newton, Kas., Lafayette and George, of Chicago, Ill., Ralph, of Muskegon, Mich., Charles, of Wisconsin, La. Mrs. Joseph Parker, of Wheeling, and Mrs. E. E. McCombs, of Martin's Ferry. Mr. Chandler had been a member of the M. E. church seventy-one years, and was an excellent gentleman. The time for the funeral has not yet been fixed, but it will probably take place at 2 o'clock to-morrow. The interment will be at Weeks' cemetery.

### HE'S A PROFESSIONAL.

Another Case of Hotel Beating Turns up Against Thomas Clark.

Thomas Clark, the middle aged man who was arrested last week at the instance of Mr. C. E. VanKeuren, charged with beating a hotel bill made in 1892, it turns out has been playing the same game successfully in other places. Mr. VanKeuren yesterday received a letter from Proprietor S. Denoon, of the Star hotel, Woodfield, asking about Clark and giving the description of a man which tallies exactly with Clark. Clark owed him for three weeks board, and induced Denoon to come with him to Wheeling, promising to get some money out of the Ohio Valley bank and settle up. Denoon came, but the smart Clark gave him the slip, and his trip here accomplished nothing. As Clark is held for the grand jury here Denoon is now in a position to reach Clark.

### THE COMING STATE FAIR.

Something to Attract and Interest All Classes of People.

In the annual state fair to be given on the association's grounds on Wheeling Island the first week in September, there will be features to please all classes of people. Seldom has so good a speed programme been offered, and in addition to this the balloon ascensions are beyond anything of the kind ever seen here. There will be an ascension by a man, another by a woman, then the two will go up jointly, and they will also take up a goat and a dog on one occasion.

The men chosen to manage the different departments are the best experts to be obtained, and the programme has been judiciously arranged, so that the different days will all be equally attractive. For the farmers, especially, the fair will be more attractive, as well as for their wives and families, and the railroad arrangements have never before been equalled.

The townspeople owe it to the association to liberally sustain its efforts to make the fair the equal of any in the land, for it brings people here from far and near, making business good and acquainting the visitors with the fine facilities which exist here to supply the country with all its needs.

### The Low Dockstader Minstrel Company.

The first part of the Low Dockstader Minstrel Company, this season, will be presented in a gorgeous and fitting frame. This grand living picture will be enhanced by what Low terms "The Golden Archway of the Transportation Building of the World's Columbian Exposition." This magnificent gem of scenic art has been painted for this company by Mr. Lafayette W. Seavoy, at his New York studio, at a cost of \$3,500. The company will appear as "The Fun and Music Club," in their annual "High Jinks." Frank Dament will be arbitrator. The company will open the season at the Wheeling Opera House Tuesday evening. Seats are now on sale at C. A. House's music store.

### CURES OTHERS

Mrs. HARRY TAPPAN, of Reynolds, Neb., writes: "For about two years I was a constant sufferer from a disease peculiar to my sex. I had to be carried from my bed, had horrible dreams, sinking nervous system, and had little or no appetite. I was very nervous and had little or no sleep. I had frequent attacks of hysteria, and was completely discouraged for I found no medicine did me any good. At last I determined to try Dr. Pierce's 'Fruit of Life' Prescription. I had taken but two bottles before I felt so much better. I took eleven bottles. To-day, I am well. I have never felt the least trace of my old complaint in the last six years. We use the 'Golden Medical Discovery' whenever we need a blood-purifier. With its use, eruptions of all kinds vanish and the skin is rendered clear and soft, almost as an infant's." Sold everywhere.
